

ARTIKEL MALAY LITERATURE UNTUK PENGUJIAN OJS (5 FEBRUARI 2026)

Malay Literature is a double-blind, peer-reviewed journal that is indexed in MyJurnal and MyCite and published biannually (June and December) by Dewan Bahasa dan Pustaka Malaysia. Views expressed in this journal rest exclusively with the individual authors. The interpretations do not necessarily represent those of the Editorial Board of Dewan Bahasa dan Pustaka.

The articles included in *Malay Literature* focus on the latest literature studies by academics from within and outside the country, specifically on the Malay Archipelago. This journal publishes quality articles or scholarly writings in Malay and English language with authoritative references. It also offers translations of titles, abstracts, and keywords in Malay or English for every article published.
